Apogee Instruments Inc, an energetic manufacturer of innovative environmental instrumentation, invites applications for a

FULL TIME CALIBRATION TECHNICIAN

Requirements:

- Extensive computer experience, including data manipulation in spreadsheets, basic computer programming, and electronic data acquisition (preferably with Campbell Scientific dataloggers).
- A basic understanding of physical principles as they relate to electronics and electrical circuits.
- Enthusiasm for working for a small company.

Responsibilities:

- Calibrate scientific instrumentation.
- Analyze data using Microsoft Excel and SigmaPlot.
- Identify calibration errors and troubleshoot underlying causes.
- Continually reinforce the company's commitment to providing quality instrumentation to the scientific community at a reasonable cost.

This is a full-time position with benefits. Compensation is commensurate with experience. If you are interested and meet the above qualifications, please send a cover letter, resume, and references to devin.overly@apogeeinstruments.com.
